Buckley Elementary School Star... Gavin Morris

Gavin Morris enters the classroom each morning with a bright smile and positive attitude. He has the amazing ability to make people smile. In the short time that he has been a student at Buckley School, he has managed to connect with staff and his peers. He is well-liked and respected by his classmates. They can always count on him to lend a helping hand and offer comfort where it is needed. He is an eternal optimist and always sees the bright side of things. I am honored to be Gavin's teacher. He is a special young boy who has taught me so much about strength, courage, and determination.
